

Getting started with Reports

<

Use Cases

Quick Tips

Examples

You can use Reports however you like. Here are a few examples:

NOTE TO SELF

Notes to self

Add a graph to reference later.

See Example →

WORK LOG

Work log

Track what you've tried and plan next steps.

See Example →

NEW FINDINGS

Collaborate

Sharing findings with your colleagues.

See Example →

Featured Reports

Go to Fully Connected →

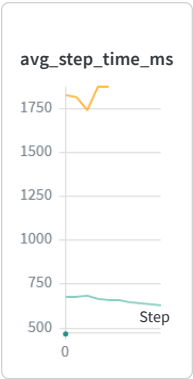

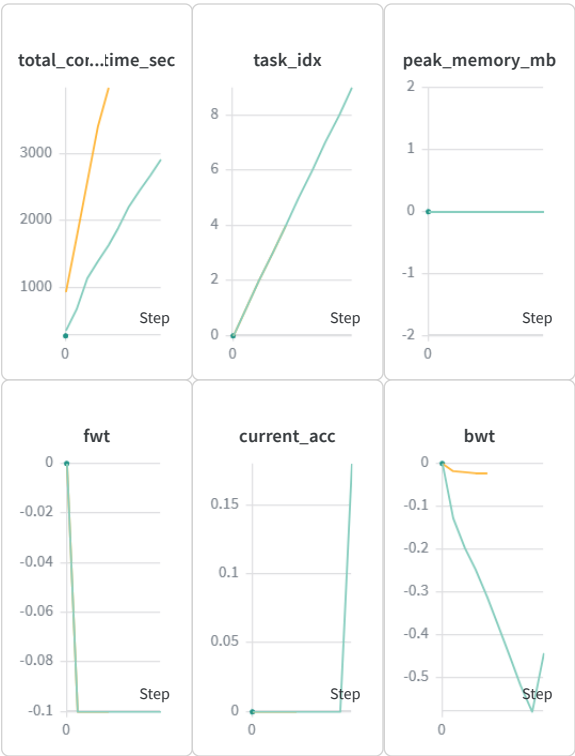

Check out how others are using reports:
